Cemeteries - Volume I & II

Response to both volumes of cemetery surveys has been good and we continue to be grateful for all the hard work the Hasketts did. In June, Barbara Revels, Loretta Phelps, Virginia Haire, Harrison Phelps gathered at First OFWB Church to work on Volume III - Scuppernon Township. We hope to have that one finished within 2 or 3 months. Any WCGS member who uses WordPerfect™ and is willing to help with the formatting / indexing will be welcomed! Contact Shirleyan Phelps at shirleyan@clis.com. (This is one way our out-of-town members can be a part of our work!) We hope to have another work day soon.

Work continues at the Weede Cemetery and on 9th July, a beautiful new marker was put in place. Harrison spoke with family members as the work was in progress and we plan to have before and after photos by September.

Terri Mitchell is researching early issues of the Roanoke Beacon and will share items of interest. Terri recently contributed the CD containing Freedmen's Records.
